Advanced Drainage Systems, Inc., the nation's largest and most innovative manufacturer of HDPE drainage products is seeking a 3rd shift Plant Maintenance Technician for our Winchester, KY location.

The Plant Maintenance Technician oversees and performs the preventative and reactive maintenance duties required for the manufacturing operation of the plant. This position requires the flexibility to work 40+ hours per week, weekends as required and also fulfill on-call duties for repairs and assistance.

Qualifications include HS diploma, strong electrical and hydraulics background. Vocational/trade school training is a must.

We offer a competitive salary and employer paid medical benefits. We also offer dental, vision, 401(K) and Profit Sharing programs. Additionally, all full-time employees are automatically enrolled in a company funded Employee Stock Ownership Program (ESOP).
