**SUBJECT: KPTA Bid #4 Vehicle Bids – Approval to Award Contracts for Minivans  
Federal Waiver**

Dear Ms. Cummins,

Please be advised that we concur and approve KPTA to award contracts to the following vendors who are the lowest and best bid for the vehicle types listed below for KPTA Bid #4.

- 1. 10-55 Standard Minivans without Modification – Cardinal Chrysler Dodge \$20,566.76**
- 2. 10-45 Low-Floor Wheelchair Ramped Minivans – National Bus Sales \$32,692.00**

Enclosed is a copy of the USDOT/Federal Transit Administration (FTA) letter granting a non-availability waiver of the Buy America provisions for the Dodge/Chrysler minivans on KPTA Bid #4.

KPTA is not to enter into a contract with the above vendors until KPTA sends proposed contracts to our office for our review and approval and KPTA has sent all the signed pre-award documents for that particular vendor to this office. Each contract should include the vendors DUNS number and include a statement that says they will comply with all applicable FTA and ARRA requirements. If you have any questions or would like further information, please contact Eric Perez at (502) 564-7433.

Sincerely,

A handwritten signature in cursive script that reads "Vickie S. Bourne".
